

Assignment 1

Value

This assignment will contribute towards the **40%** of your final grade allotted for course assignments.

Background

This assignment will give you an opportunity to evaluate the concept of family from different perspectives and theories.

Instructions

1. Look at each of the categories surrounding the concept of family in the diagram below.
2. For each of the seven categories, write your own definition as it relates to family.
3. Highlight the impact that each category/topic has on the concept of family.
